

Privacy Policy

Last updated: 15 May 2021

This privacy policy ("policy") will help you understand how Allan Vikiru | Software Engineer ("us", "we", "our") uses and protects the data you provide to us when you visit and use allanvikiru.github.io. ("website").

We reserve the right to change this policy at any given time, of which you will be promptly updated. If you want to make sure that you are up to date with the latest changes, we advise you to frequently visit this page.

What User Data We Collect

When you visit the website, we collect the following data:

- Personal information provided by you i.e., your name and email address.
- Automatically collected information such as:
 - usage data - interactions with the Website such as clicks, and page views.
 - device data - browser type, operating system details, device platform and
 - location data - geolocation based on IP, precise to country of Website access.

Why We Collect Your Data

We are collecting your data for several reasons:

- To better understand your needs.
- To enable communication between you and us.
- To request feedback and to contact you about your use of our Website.
- To customize our website according to your online behaviour and personal preferences.
- To comply with legal and regulatory requirements or in connection with our contract.
- To respond to legal requests and prevent harm.
- To protect our website against security breaches.

Sharing of Collected Data

We share your data with these third parties:

- Google Tag Manager and Google Analytics: by use of cookies and code tags, these tools

assist us in tracking user behaviour and analysing their usage of our site. To read more about how the service is used and liabilities regarding your data, visit the [Google Tag Manager Terms of Service](#), [Google Analytics Terms of Service](#) and Google Inc.'s [Privacy Policy](#).

- Pageclip: this tool is used to collect information from users via site forms. On our site, it has been applied in the form set in this [section](#). For more information on how the tool operates and how the information collected is used, visit their Privacy Policy [here](#).

We will not lease, sell, or distribute your personal information to other third parties unlisted in this policy, unless we have your permission and if obligated by law.

Safeguarding and Securing the Data

We are committed to securing your data and keeping it confidential and have done all in our power to prevent data theft, unauthorized access, and disclosure by implementing the latest technologies and software, which help us safeguard all the information we collect online.

Our Cookie Policy

Once you agree to allow our website to use cookies, you also agree to use the data it collects regarding your online behaviour (analyse web traffic, web pages you spend the most time on, and websites you visit).

The data we collect by using cookies is used to customize our website to your needs. After we use the data for statistical analysis, the data is completely removed from our systems.

Please note that cookies do not allow us to gain control of your computer in any way. They are strictly used to monitor which pages you find useful and which you do not so that we can provide a better experience for you.

If you want to disable cookies, you can do it by accessing the settings of your internet browser. Visit this [site](#) for guidelines on how to enable or disable browser cookies.

Links to Other Websites

Our website contains links that lead to other websites. If you click on these links, we are not held responsible for your data and privacy protection. Visiting those websites is not governed by this privacy policy agreement. Make sure to read the privacy policy documentation of the website you go to from our website.

If you have any questions or comments about this policy, reach out through the contact form listed [here](#), or by email at vikiruallan12@gmail.com
